

# Make a Meaningful Difference: Volunteer With Us

## Support older people in your community

Looking for a rewarding way to give back? Join us on social outings that help older people stay connected, active, and engaged in their community.

### Volunteer With Us

As a volunteer, you will:

- Assist clients on and off the bus
- Help with mobility aids (e.g. folding walkers in and out of vehicles)
- Provide friendly conversation and companionship
- Support a positive and inclusive group experience

### What Our Outings Look Like

Outings are relaxed and enjoyable. They may include:

- Cafe or lunch trips
- Scenic or coastal drives
- Visits to museums, galleries or community events
- Shopping trips or garden centre visits
- Live performances, concerts or seasonal events

You'll travel with the group, enjoy the outing together, and return home at the end of the day.

### About Us

Jubilee is a not-for-profit home care provider supporting older people to live independently and stay socially connected.

Our services include in-home support, social activities and community outings designed to reduce isolation and promote wellbeing.

### Why Volunteer

- Make a meaningful impact in your community
- Meet new people and build connections
- Enjoy fun and rewarding days out
- Support wellbeing through purposeful volunteering
